

APPROVAL OF SERVICE SUPPLIERS

Certificate no.:
AOSS0000C2U
Revision no.:
3

This is to certify that

Stiltas UAB

Klaipėda, Lithuania

is granted acceptance for

Inspection and testing of radio communication equipment and automatic identification systems , in accordance with Class Programme DNV-CP-0625.

This service supplier certificate will be accepted for use with all rule sets published by DNV.
See the following page(s) for details regarding application.

This Certificate is valid from **2025-11-15** to (inclusive) **2028-11-14**.

This Certificate is issued on **2025-12-05**.

for **DNV**

This document has been digitally signed and will
therefore not have handwritten signatures

Nazimov, Igor

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to USD 300 000.

Application:

1. This approval is not valid for Radio surveys on Mobile Offshore Drilling Units (MODU), Passenger Ships with Safe Return to Port (SRTP) and Ships applying POLAR CODE.
2. The Service and Testing shall be carried out by Radio Inspectors (Operators) duly qualified for radio communication equipment and automatic identification system. Manufacturers instructions should be followed.
3. The Service Supplier is undertaking full responsibility to notify this Society about any changes in Procedure(s), Equipment or Personnel (List of Supervisors or Radio Inspectors), prior to these changes coming into effect.

Conditions for the validity Certificate of Approval:

- where the Service was improperly carried out, or results were incorrectly reported.
- where a Surveyor finds deficiencies in the Supplier's service operating system and appropriate corrective actions are not taken.
- where alteration(s) were made to the Company's Quality System relevant to Service Supplier's Certificate(s), but without written notification to the Society.
